[R]eal estate development group delivering luxury residential and mixed-use projects.

Amal Group of Companies is an international real estate development group and the Thai-based developer of Gardens of Eden and ETRO Residences Phuket, delivering luxury residential and mixed-use projects with a strong focus on low-density planning, sustainability, and long-term livability.

Backed by international capital and operating through Amal Development Co., Ltd. (Thailand),

the group brings together a seasoned global team with more than 25 years of experience in high-end residential, resort, and mixed-use development.

Across its international portfolio, Amal Group has participated in 100+ completed projects and delivered over 500,000 m² of residential and commercial space, primarily in premium and luxury segments.

Flagship Development is Gardens of Eden – the resort located 50 meters from Bang Tao beach in Phuket.

Amal Group is leading a USD 315 million (approximately THB 11 billion) investment into Gardens of Eden, a 73-rai low-density beachfront and wellness-oriented community located on Bang Tao/Layan Beach, Phuket.

Designed as a benchmark for eco-driven luxury living, Gardens of Eden allocates approximately 70% of the land to open and green space, setting it apart from conventional high-density developments in Phuket.

Gardens of Eden comprises:

- [1] Eden Residences
- [2] Park Residences
- [3] Lake Residences
- [4] Etro Residences Phuket

Amal Development Co., Ltd. is the named developer of all residential components within Gardens of Eden, with project capital provided by DPD Invest.
