Subject Notification of the Resolution of the Expert Committee on the Consideration of the Environmental Impact Assessment Report in the Environmental Protection Zone, Phuket Province, for the Lake Residences 2 Condominium Project.

Address Managing Director of Amal Establishment Co., Ltd.

Reference 1. Letter of Pure Aqua Co., Ltd. No. PA 2567/081 dated 25 September B.E. 2567 (2024)

2. Letter of Pure Aqua Co., Ltd. No. PA 2567/105 dated 21 November B.E. 2567 (2024)

According to the referenced letter, you have submitted the Environmental Impact Assessment (EIA) Report for the Lake Residences 2 Project, located at Moo. 6 along the rural highway (Ban Khok Ton – Ban Layan – Ban Nai Thon Road), Cherngtalay Sub-district, Thalang District, Phuket Province. The project is a residential condominium development consisting of 488 residential units. The report was prepared by Pure Aqua Co., Ltd. for Phuket Province to proceed with consideration in accordance with its authorized duties.

In this regard, Phuket Province has submitted the aforementioned Environmental Impact Assessment (EIA) Report, together with additional clarifying documents based on the preliminary opinions of the Office of Natural Resources and Environmental Policy and Planning (ONEP), to the Expert Committee on the Consideration of the Environmental Impact Assessment Reports in the Environmental Protection Zone of Phuket Province, at Meeting No. 16/2567 on Tuesday, 26 November B.E. 2567 (2024). The Expert Committee resolved to approve the Environmental Impact Assessment Report for the Lake Residences 2 Condominium Project, subject to the project revising the details in accordance with the Committee's recommendations and submitted them to the Secretariat for verification prior to preparing the final report. Therefore, the Phuket Provincial Office of Natural Resources and Environment, in its capacity as the Secretariat, hereby informs you of the Committee's resolution approving this report. You are requested to submit 8 sets of environmental impact prevention and mitigation measures, as well as environmental monitoring measures, to the Secretariat by Thursday, 12 December B.E. 2567 (2024), so that the Secretariat may forward them to the Office of Natural Resources and Environmental Policy and Planning for consideration and for issuing the decision to the project owner in accordance with the relevant procedures.

Accordingly, please be informed and proceed as appropriate.

Yours Sincerely,

-Signature-
